7. Clerk's Report

- (a) The clerk advised that the consultation period is now closed for the newsletter responses for both the dedicated police officer and the free tree requests.

The clerk to send the Chairman a list of names and addresses for the tree requests.

With regard to the parish council funding a dedicated police officer for the parish from an increased parish precept it has been decided not to pursue this option. Whilst there was a very small majority in favour, the number of responses would not justify the PC increasing the precept by £35,000. The Chairman to produce a response to issue to all residents who responded to the consultation and an article to add to the Facebook page.

8. Matters Arising
